

STAGE 2 OF 4 • BUILD YOUR NETWORK

Create your API key in 1 minute

The key connects your panel to Sigma or your own system. You do it once.

1

Log in to your panel: `my.maxplayer.tv`.

2

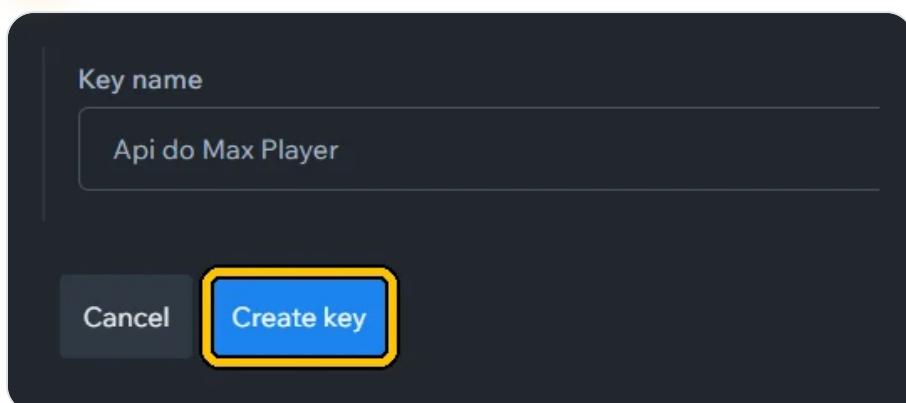

In the menu, click **Public API**.

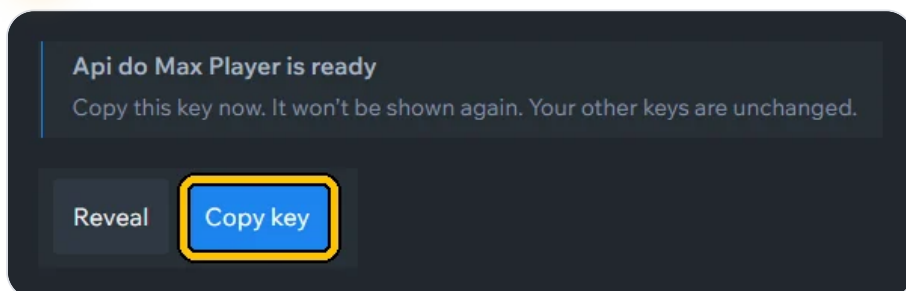

3 Click **Create key**.

4 Give it a name you will recognize (e.g. **Sigma**) and click **Create key** again.

5 Click **Copy key** and save the key. It is shown **only once**.

 **The key works like a password.** Never send it in groups or screenshots. Lost or leaked? Delete it in **Public API** and create another.

 **The key is not your panel password or the list link.** Copy the whole key, with no spaces before or after.
